

The background of the title screen is a grayscale illustration of three anime-style characters in a futuristic, industrial setting. On the left, a female character with long hair is shown from the back, looking towards the center. In the center, a male character with glasses and a high-collared jacket is gesturing with his right hand. On the right, another female character is holding a rectangular device. Red laser lines crisscross the background, adding to the sci-fi aesthetic. The title 'PROJECT: OVERRIDE' is centered in a stylized, metallic font.
